### **PROFIT WARNING**

This announcement is made by Tailam Tech Construction Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that based on the information currently available to the Board and its preliminary review and assessment of the Group’s latest unaudited consolidated management accounts for the year ended 31 December 2024 (the “**Management Accounts**”), the Group expects to record a consolidated loss of approximately RMB10.6 million for the year ended 31 December 2024 as compared to the audited consolidated loss of approximately RMB17.6 million for the year ended 31 December 2023.

Despite a decrease in the Group’s revenue for the year ended 31 December 2024 compared to the year ended 31 December 2023, mainly due to the challenging market conditions, the Group recorded a decrease in consolidated loss for the year ended 31 December 2024 compared to the previous year. The aforementioned decrease in the Group’s consolidated loss is primarily attributable to (i) a significant decrease in the provision for impairment losses on financial assets, resulting from the Group’s more rigorous credit risk assessments and improved collection processes, and (ii) a reduction in the selling and marketing expenses as well as administrative expenses, driven by the Group’s more effective costs control measures.

The Company is still in the process of finalising the final results of the Group for the year ended 31 December 2024. The information contained in this announcement is only a preliminary assessment by the Board based on the Management Accounts and the latest information currently available, which have not been reviewed by the auditor or the audit committee of the Company. The actual results of the Group for the year ended 31 December 2024 may be different from what is disclosed in this announcement. Shareholders and potential investors of the Company are advised to read carefully the announcement to be published by the Company in relation to the final results of the Group for the year ended 31 December 2024. The Company expects to announce its final results for the year ended 31 December 2024 by the end of March 2025.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
