POSITIVE PROFIT ALERT

This announcement is made by Tailam Tech Construction Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company hereby informs the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the “**Management Accounts**”) and the information currently available to the Board, the Group is expected to record a consolidated profit of approximately RMB6.4 million for the six months ended 30 June 2025 compared with the unaudited consolidated loss of approximately RMB4.2 million for the six months ended 30 June 2024. The turnaround from loss to profit was mainly driven by higher revenue stemming from rising demand for commercial concrete and PHC piles from infrastructure projects in Nantong and surrounding regions during the first half of 2025, coupled with a significant improvement in gross profit margin attributable to operational economies of scale and strategic cost management.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2025. The information contained in this announcement is only a preliminary assessment by the Board based on the Management Accounts and the latest information currently available, which have not been reviewed by the auditor

or the audit committee of the Company. The interim results of the Group for the six months ended 30 June 2025 may be different from what is disclosed in this announcement. Shareholders and potential investors of the Company are advised to read carefully the announcement to be published by the Company in relation to the interim results of the Group for the six months ended 30 June 2025. The Company expects to announce its interim results for the six months ended 30 June 2025 by the end of August 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
